Good Hunting Record—Playground Surplus to Be Disposed Of—Seventy-five at Opening Meeting of Choral Union—Lawrence Norton Dies at Norwich.

Attorney W. F. Woodward was in Willimantic Thursday, attending the session of the superior court. A. P. Gibbs, committed from Harwinton to the Norwich State hospital, was formerly of Danielson.

Coroner Rebukes Putnam Officers.

Coroner A. G. Bill, in a letter to Mayor MacDonald of Putnam, charges two of that city's officers with neglect of duty in connection with their failure to act promptly for the arrest of Joseph Minerva, now under sentence for shooting Frank Roze, alias Crestese Esposito.

The county commissioners are to be in session in Moosup today (Friday) to grant druggists' licenses for the town of Plainfield and licenses for the town of Sterling.

Attorney Frank E. Howarth, on trial in the superior court at Willimantic, and Lindley H. Cain, held on arson charges with Howarth, are getting daily automobile rides to the jail at Brooklyn and Willimantic this week, each going with an officer in a separate car.

Season's Hunting Record.

Arthur Day and John Harrington have hung up a good day's record of work in the hunting grounds. They brought in nine partridges, ten quail, two woodcock and a snipe. This is one of the best bags taken hereabouts this season.

To Decide About Playground Surplus.

Monday evening of next week there is to be a meeting at the Baptist parsonage of the contributors to the playground fund that was raised in the early summer of 1912. The playground fund did not work out as satisfactorily as was expected, so much of the money collected remains unspent. What disposition is to be made of the fund will probably be decided at the meeting.

Seventy-five at Choral Union Meeting.

Members of the choral union were delighted Thursday with the spirit shown and the enthusiasm in evidence at the first rehearsal held in the Congregational vestry Wednesday evening when about 75 singers were in attendance. After this first meeting there remains no doubt of the success of the undertaking.

Planning for Hospital Thanksgiving.

Danielson ladies who are always interested in the institution are making arrangements to send Thanksgiving gifts of the usual variety to the Kimball hospital at Putnam. Each year at Thanksgiving a number here practice sending gifts of vegetables, canned goods, fruits, groceries, etc., to the hospital and it is also the custom of workers for the hospital in Brooklyn and other surrounding towns.

Good Outdoor Practice.

Improving the beautiful weather of Thursday, the members of Killingly High school's basketball team got in some fast outdoor practice during the afternoon hours, using the court in the rear of the school building. The team's indoor practice in the gym hall is also arranged for and it is in this hall that the league games are to be played.

The entrance of Mrs. Zola A. Bennett of Mechanic street as a star witness for the state in the trial of Attorney Frank E. Howarth at the superior court in Willimantic came as a decided surprise. She is also a few persons in Danielson who were aware that she has been working with the state police on the case since May. Mrs. Bennett is the widow of Israel Bennett, who was a well known turfman and hotel owner in Danielson for many years.

Dayville Men's Club Meets.

At the meeting of the Dayville Congregational church men's club this week a number of five minute addresses were given by members. Frank W. Bennett talked on Woman Suffrage. A. T. Hope on Education. George Williams on Wireless Telegraphy. James Walker on Music. Sabin S. Russell on Our Church and Rev. Charles Downs on Our Village.

Anti-Toll Petition Unheeded.

Nothing has been heard from the headquarters of the S. V. T. company at New Haven relative to abolishing toll charges between the Danielson and Moosup, as petitioned for several months ago by subscribers in the territory mentioned, which up to a few years ago was nearly all in the Danielson division.

Many factory employees who have been away from work on account of sore arms due to vaccination have returned to their places in mills in various villages in this section, but the percentage of workers still out is large.

FUNERAL

Lawrence Norton.

The body of Lawrence Norton, formerly of Killingly Center, who died at Norwich, was brought here for burial in St. James' cemetery. Rev. Peter Roux was celebrant of the regular mass at St. James' church. Louis E. Kennedy was in charge of the funeral arrangements. The deceased was 84 years of age. He leaves one son, Michael, who resides in Providence.

Illuminating Committee Appointed.

L. A. Bradford, A. W. Williams and W. L. Dixon have been appointed members of a committee of the Danielson Business Men's association to make arrangements for the special illumination of the business section during the holiday season.

A CHILD'S LAXATIVE IS "SYRUP OF FIGS."

They Love to Take it and it Don't Harm the Tender Little Stomach, Liver and Bowels.

If your little one's tongue is coated, it is a sure sign the stomach, liver and bowels need a gentle, thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and unassimilated food will gently move out of the bowels, and you have a well, playful child again.

Sick children need to be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Fig Syrup Company." Don't be fooled!

At Pomfret school the students are arranging for the coming of relatives for the Thanksgiving holiday when Pinafore will be presented by the dramatic organization of the school.

Reassessing Held Back.

Now that Attorney Charles E. Seais has given his opinion that the special committee appointed at the annual town meeting last month has decided to expend funds of the town in connection with the reassessment of property plan it is not likely that any definite action will be taken relative to reassessing until a special town meeting has expressed itself on the matter.

Does His Whole Duty.

Hon. George A. Hammond of this city pays a tribute to Congressman Jeremiah Donovan of the Connecticut delegation for his attention to his duties at Washington. Mr. Hammond and Congressman Donovan are personal friends and as senators in the Connecticut general assembly of 1911, were much together.

Preparations are completed for the observance of All Souls' day by the members of St. Mary's parish next Sunday afternoon. Every one of the church societies will have as many members as possible in line. There is to be a procession at 3 o'clock from the church to St. Mary's cemetery, where a service is to be held.

Soliciting For Hospital Thanksgiving.

Mrs. J. B. Kent, head of the Day-Kimball Hospital Thanksgiving committee, has sent out the usual notice relative to holiday remembrances for the institution. Thanksgiving committee is to distribute bags and envelopes as usual, hoping for generous contributions for the hospital. Bags are to be sent to L. E. Smith's of the hospital to the hospital. This is a matter in which all Eastern Windham County towns are interested.

NEGLECT OF DUTY.

Charged by Coroner Bill on the Part of Two Officers.

Coroner A. G. Bill's letter, charging Officers Charles F. Tatro and E. F. Chaffee with neglect of duty in failing to promptly arrest Joseph Minerva for the shooting of Crestese Esposito, has created unusual interest in this city. The matter has been referred to the police committee of the common council for investigation. Coroner Bill's charge is based on information gleaned from witnesses while he was engaged in conducting the inquest relative to the death of Esposito.

Legend of Abington Pear Tree.

An Abington correspondent writes of a pear tree planted 150 years ago on the old Trowbridge place on ragged hill and of a pretty legend relative to the tree, which still bears fruit, which though small is perfectly formed and of fine flavor. The legend is that a young soldier while visiting his sweet heart brought some pears with him to the place. The seed of the pears was planted by members of the sweet heart's family, a tree eventually grew and continues to bear fruit after all the years.

"What could the motive have been?" This seems to be the universal question asked in connection with the trial of Attorney Frank E. Howarth, charged with arson. There is unlimited interest in the case here, but the matter of motive is the one thing that most people want to know about. Few can arrive at a solution on this point that is even satisfactory to themselves and it is for this reason that there is so much uncertainty among many here as to the outcome of the trial or as to what it will develop.

Death of Charles Rivers.

Charles Rivers, who up to two months ago had lived for many years at West Thompson, died recently in Webster, where he had engaged in the grocery business. He was a citizen of Thompson, where he had a great many friends. He leaves his wife, one daughter, his mother, three sisters and two brothers.

For pastry there is nothing to compare with

Cottolene

Cottolene "creams up" beautifully, always, and every cook knows what an advantage that is. It is always plastic and blends readily with the flour or sugar. This makes Cottolene especially pleasant to use in cakes, pastry, sauces, biscuits and the like.

Have you tried Cottolene yet? If not, do at least test it for yourself. You will then understand some of its many advantages. At the same time, do not forget that food experts advocate this wholesome shortening as reliable, economical and digestible.

Two Young Men Suspected of Theft of Coats—Odila Arpin Leaving for New Bedford.

No clue has been found as to the identity of the two young men who stole a mackinaw and sweater which were on display in front of Charles F. Charon's store Wednesday evening. Policeman John McGuire has under suspicion two young men who said that they were going to work on the state road to Hanover, but who failed to put in an appearance at the job Thursday morning. The two suspects went down on the last car Wednesday evening and got off in the deserted spot near the Fairville, Ichoua. They came back again Thursday morning and are under close surveillance. This is not the first time that Mr. Charon has suffered a similar loss. About two years ago a fine sheepskin coat displayed in front of the store was taken, but was afterwards found in a lot near William Nolan's house.

Many friends regret his departure, as he was well liked by all who knew him. He was leading man in the French drama Marie Jeanne, or la Fille Du Peuple, which was played in New Bedford recently by a local French troupe, and he was identified with other social enterprises, in all of which he showed himself very capable and earnest.
